Correction in the Title

The application as filed listed the title as “**Remote** Vehicle Emission Sensing Device with Single Detector”. The Filing Receipt mailed May 10, 2001 correctly lists the title, as well as the Notice of Allowance and Fee(s) Due mailed July 26, 2006. However, when the patent was issued, the title was incorrectly given as “**Remove** Vehicle Emission Sensing Device with Single Detector”. It is respectfully requested that in the title on the title page of the patent, “REMOVE” be corrected to read “REMOTE”.

CONCLUSION

It is respectfully requested that a Certificate of Correction be issued to correct these errors. Form PTO/SB/44 is attached for this purpose.

Respectfully submitted,

PILLSBURY WINTHROP SHAW PITTMAN LLP
